Veteran's Day Observance

On Thursday morning we will be having a special Leadership Assembly. We will be honoring our veterans by taking part in a special flag raising and salute.

We will also have a few students read passages that they wrote in honor of veterans that they know. Our assembly will take part in our Multipurpose Room which will be decorated with some of our student's artwork dedicated to this important day. If you are a veteran or have a family member who is and would like to join us, as always, you are more than welcome. The assembly should be about fifteen minutes long and will include all of the other features of our regular attendance assemblies.

We will not have school on Friday in honor of Veteran's Day.

Learning Commons Update

Thanks to the generosity of our PTC the Learning Commons has become a new favorite place for many of our students on campus. It is a fantastic environment to explore, collaborate, and extend our learning. Some common items that are on the Common's wishlist are used/no longer needed Lego pieces and masking tape of all colors and sizes. These items will be used for projects with all of our students.

Donation bins are found at the front office.
