

REEF Chromebook Crusade

The “Bring Your Own Device Initiative” stimulates 21st Century Learning for a Global Community — Preparing Now for the Future.

Order Your Student Personal Chromebooks Today!

Give your child the power to excel! Don’t miss the opportunity to buy your Student Personal Chromebook for use in the classroom. RUSC’s goal is to promote educational excellence by facilitating learning through collaboration, innovation, communication, access to knowledge and information and promotion of responsible digital citizenship. REEF has secured **EXCLUSIVE LOW PRICING** for the Chromebook to make the *RUSD 1:1 Digital Learning Environment* easily accessible for all students.*

The N23 Chromebook includes access to the Chrome Web Store and G Suite for Education, making it possible to purchase, download, and manage apps. Your student will have thousands of education apps to choose from like Google Classroom, My Study Life, Codeanywhere, and more. The N23 Chromebook will enrich students overall experience and give your child the advantage of having the same tools readily available to them as other students while making device management easier to everyone!

**Students may elect to use their personal devices to access digital content through the RUSD network.*
