Happy New Year!

Hope that everyone had a wonderful break and spent time with family and friends and plenty of time taking care of yourself - or Sharpening the Saw!

Please continue to visit our website as often as possible. We have a new addition. On the home page you will see a Twitter Feed of pictures from around our campus. It is a fun way to show off all of the learning, activities, and memories that make up our days here at Ruhkala. You don't have to have a Twitter account to view the pictures but if you do you can also follow us at
