- **Friday, May 26th is a minimum day.**
  - Kindergarten students will be dismissed at 12:10.
  - First to Sixth Grade students will be dismissed at 12:20.

Highlights from some of the wonderful after school enrichment programs this year...

Ukulele Club
Thank you to the Ukulele Club for the performance at our Leadership Assembly. Helping us to celebrate the arts here at Ruhkala.

Theater Club
Wrapped up with a fantastic performance on May 8th on the stage at the Black Top Comedy Theater! Look for more classes next year.

Girls on the Run:
After 10 weeks of energetic, informative, and super fun lessons (with a little bit of running sprinkled in) our 3rd-5th grade girls completed the Girls on the Run program with a 5K! We are proud of each of them and look forward to continuing the program at our school. It's so much more than running...check it out at www.gotrsac.org.

Educational Excellence

Roger Stock, Superintendent
Kathleen Pon, Deputy Superintendent

Barbara Patterson , Deputy Superintendent
Colleen Slattery, Assistant Superintendent

Dear RUSD Families,

Rocklin Unified School District has enhanced the use of our existing Student Information System (Aeries) by enabling the use of online Parent and Student "portal accounts", which includes on-line registration and completion of many of the forms for the first day of school.

Aeries Portal/on-line registration accounts will compliment our continued efforts to improve school-to-home communication by providing parents and students online and timely access to information about attendance, report cards, and more.

One goal is to use this system to significantly reduce paperwork by maintaining emergency contact information online and making the annual Student Data Confirmation back-to-school/1st day packet process more convenient and efficient for parents!

Please do now:
Create your account now to access 2016-17 attendance and report records. Visit the RUSD website at: http://www.rocklinusd.org/. Click on the "Parent" section. Go to "Aeries (Student Information System). Here you will find step-by-step instructions on how to create your Aeries Parent Portal account using the (3) pieces of information (telephone number, verification code and student identification number) unique to your student provided to you by your school.

Coming in August: Since you will already have created your portal account, we hope you will find it more convenient to complete the back-to-school/1st day packet for your child. Look for more information in August.

Sincerely,

Lara Kikosicki, Principal

Swim Lessons

Rocklin SWIM TEAM

We are a non-profit organization that exists for the sole purpose of sponsoring youth swimming activities in the City of Rocklin and surrounding areas.

CAMP **EDMO**
PRE-K - GRADE 8

25+ BAY AREA & SACRAMENTO AREA LOCATIONS
SUMMER 2017

CAMP EDMO is powered by Edventure More, a year round 501(c)(3) non-profit enrichment organization. 5% of camp proceeds and 100% of donations support camp scholarships and subsidized science, maker and technology programs in local schools.

EDMO (K - 4th grade)

Power Up
Campers discover where our world's energy comes from, experiment with potential and kinetic energy, and transform that energy into usable electricity by building their own circuits, turbines, electromagnets, solar cars, and more!
Camp Locations: Rocklin, Folsom, Elk Grove, Sacramento

Minecraft: EDMOtopia
Design and build your very own Minecraft community! EDMOtopia is built on EDMO's multiplayer Minecraft server, available only to EDMO campers.
Camp Locations: Rocklin, Folsom, Elk Grove, Sacramento

Minecraft: Mod Maker
Hack into your Minecraft world and code your own game universe! Campers learn basic coding skills while inventing their own Minecraft game features, like custom mini-games and superpowers.
Camp Locations: Rocklin, Folsom, Elk Grove, Sacramento

LEGO Animation
Build your own LEGO movie! In our LEGO Animation camp, campers create their own short stop-motion animated film, from start to finish.
Camp Locations: Rocklin, Folsom, Elk Grove, Sacramento

Makeropolis
Design and build your city of the future! Campers will work together to incorporate elements of design thinking and the civil engineering processes as they plan, design, prototype, and test skyscrapers, bridges, homes, and even hovercrafts.
Camp Locations: Rocklin, Folsom, Elk Grove, Sacramento

DIY da Vinci
Travel back in time and visit the OMG's (Original Maker Greats!) of the Renaissance period. Leonardo da Vinci, Michelangelo and Galileo all intersected art, science and a maker mindset to create inventions and artwork.
Camp Locations: Rocklin, Folsom, Sacramento

Critterville
Here's your chance to burrow deep into the animal kingdom! Campers will recreate animal shelters, get a taste of different animal diets and experience how various animals survive in the wild.
Camp Location: Rocklin

Botany Buds
Make your summer bloom in this botanical exploration of our parks! This week is all about unearthing the plant kingdom, its various species and essential role in our larger ecosystem.
Camp Location: Rocklin

Leader-In-Training Only 8th Grade +
Our EDMO Leader-in-Training (LIT) program is for those looking to build youth leadership and facilitation skills. Our program focuses on team bonding and a deepened sense of responsibility in both the day-to-day interactions and overall vibe and camp experience.

EDMO PRO (5th - 8th grade)

Game Coder
Make your video game dreams a reality! Game Coder campers experience the complete game development process.
Camp Locations: Rocklin, Folsom, Elk Grove, Sacramento

Mobstacle Course
Experience the design process from concept to completion as you design a motion-activated and electronically responsive obstacle course!
Camp Locations: Rocklin, Folsom, Elk Grove, Sacramento

Minecraft: PROtopia
Design and build your very own Minecraft community! PROtopia is built on EDMO's multiplayer Minecraft server, available only to EDMO campers.
Camp Locations: Rocklin, Folsom, Elk Grove

Minecraft: Mod Coder
Hack into your Minecraft world and code your own game universe! In our Minecraft: Mod Coder camp, campers learn to use Java code to create a Minecraft Forge mod.
Camp Locations: Rocklin, Folsom, Elk Grove, Sacramento

App Inventor
Create your very own Android app! Using MIT App Inventor, campers will use drag-and-drop "code blocks" to design and program a complete mobile app.
Camp Locations: Rocklin, Folsom, Elk Grove, Sacramento

Girl Coder
Build powerful life skills and coding skills by designing your own video game! In Girl Coder, campers learn the ropes of programming and game design using JavaScript and Phaser, an engine for creating games that run in a web browser.
Camp Locations: Rocklin, Folsom

Tech Styles
Get glowing and join the tech clothing & accessory movement! In this wired week, campers will hone their circuitry skills by design and fabricating their own wearable creations like pet monsters, backpacks and portable fashion sculptures.
Camp Locations: Rocklin, Folsom, Sacramento

WordPress Web Design
Design, write and create content for your own custom WordPress website! Each day will focus on a different aspects of website design including visual elements, content and media.
Camp Locations: Rocklin, Folsom

Smile Mob Challenge
Your challenge, should you choose to accept it, is to design an interactive pop-up sculpture to brighten people's day. Campers will work as a team throughout every phase of the design process.
Camp Locations: Rocklin, Folsom, Elk Grove

Bio Blitz
Jump into the field of biology research! Campers become ornithologists (bird scientists), and explore feathers, flight and the features that make birds unique.
Camp Location: Rocklin

9AM-3PM, MON-FRI
OPTIONAL EXTENDED DAY 8AM-6PM
