## Ruhkala Elementary Corporate Sponsorship Opportunities

Dear Local Businesses,

At Ruhkala Elementary School, we change our students' lives for the better each and every day with the help of our families, teachers, administrators and community members. As our state continues to struggle financially resulting in numerous cuts to public education, we are looking to local businesses to partner with our school and help us raise funds to support our students. Our goals include supplying advanced technology in our classrooms (Ipads & Chromes), covering transportation costs for field trips as well as assisting our teachers with funds for curricular and classroom supplies. We hope to continue to expand our Learning Commons which allows students to apply skills taught in the classroom by way of Video's, Coding, Robotics, Computer Skills, and Science Based projects. Your partnership with Ruhkala will help continue to fund these areas and help us to accomplish our goals.

In exchange for your support , you will have the opportunity to market your business and receive recognition and exposure in a community with over 400+ students and their families. (Please review the attached form listing our Corporate Sponsorship Opportunities).

We need your help to continue challenging the leaders of tomorrow. Please pledge your support by becoming one of our Corporate Sponsors.

Thank you for your time and consideration,

The PTC Leadership Team
