Dear Parents/Guardians:

As the end of this school year draws near, and we begin working on next year's class schedules and staffing, it is important to determine which students plan on returning in August. Our ability to accurately project our enrollment helps us plan for the coming year and avoid last minute changes.

Although we understand there may be unanticipated events that occur which could lead to unexpected moves, we would appreciate your response. **Please return this form to the classroom teacher or the office by Friday, April 7, 2017.** Please complete a separate form for each child who attends Ruhkala.

If your child was redirected to Ruhkala from their home school this year and you wish to remain at Ruhkala next year, you will need to complete an Intra-District Attendance Permit. These forms are available in the school office. Intra-District Attendance Permits will be approved in August if space is available.

If your child is currently on an Intra-District Attendance Permit, and you want them to continue at Ruhkala next year, you **MUST** complete a new Intra-District Attendance Permit **IF** your child began attending Ruhkala **AFTER** September 23, 2016. However, if they began attending Ruhkala on or **BEFORE** September 23, 2016, you will not need to fill out the Intra-District Attendance Permit form.

If your child is currently on an Inter-District Attendance Permit from another school district, and you want them to continue at Ruhkala next year, you **MUST** complete a new Inter-District Attendance Permit for 2017-18 before the end of this school year, regardless of what date they started attending.

Sincerely,

Lara Kikosicki

Principal

(cut here and return to your child's teacher by Friday, April 7, 2017)
