

Dear Ruhkala Parents: Parents frequently ask our teachers what they can do to assist the school. There are many ways, including volunteering your time and/or providing extra supplies. The school provides all supplies that are necessary for students, but any additional supplies would always be welcomed and appreciated. **This is definitely not a requirement.** This is just a suggestion for those of you who have asked us what you can do to help.

SECOND GRADE - 2023-2024
