****please plan to pick up your child from the back parking lot****

What is Monday Madness?

The PTC, with help from parent and high school volunteers, set up fun stations for the kids. Every session there is something new and fun for the kids to try out! It's a fun hour for the kids to get together with friends, while providing an extra hour for parents and caregivers on those early dismissal Mondays. All proceeds go right back to Ruhkala! It's a win-win for everyone!

Kindergarteners will be escorted to the Multi-Purpose room by a volunteer.

If you have a high schooler in need of volunteer hours, please have them contact us!

Please email ruhkalaptc@gmail.com with any questions or concerns.

If your child has any allergies, please let us know so that we can provide an alternative snack.

August 26, 2019

Welcome back,

The Ruhkala Library is now open for the school year. The library is a very exciting weekly event that the students truly love. To ensure they get the most out of it, here are a few things that you and your students need to know as we go forward with our school year.

- Books are checked out for **2** weeks at a time. Please make sure books are returned on time and do not become overdue. They may be renewed if student is not quite finished. Students who do not return their books are not allowed to check out until all books are returned our their account is cleared.
- Kindergarten and first graders are allowed to check out 1 book at a time. Second through sixth grade may check out 2 books at a time.
- Help your student find a special place to keep their library books. This will ensure the books stay in clean and damage free condition. It also helps students know where their books are located when it's library day.
- Keep books away from **ALL** food, liquids, younger children (who many not understand how to care for library books), dirty hands and pets. If book should incur damage, please let the librarian know. Please do not try to repair it yourself. We all understand that accidents happen and many times damage can be repaired with the right tools. But if not, you are responsible for the price of a replacement book. Please do not try to replace it on your own, we purchase our books from suppliers that sell library quality books.
- If damage is found once a book is checked out, please have your student notify their teacher or the librarian. Do not try to repair it at home. This includes taping pages if there is a tear.
- We are always looking for volunteers to help in the library or at Book Fair. If you are interested, please contact me at nwilson@rocklinusd.org. It's really fun!

We are looking forward to a fun and exciting year in the library. Should you ever have any questions about your child's library account, please feel free to email me and I will respond as soon as possible. And remember, children of all ages love to be read to, so curl up and enjoy a great book together. Happy Reading!

Sincerely,

Mrs. Nancy Wilson
